

Directions to the Studio:

My studio is located in the Main Street Center at 6448 Main Street in North Branch.

It is a 2-story looking gray/blue building on the North side of Highway 95, next to a Dentist office. There is a front door, but if you park in the back, that door has stairs immediately in front of you and I am in the lower level. There is also an elevator in the middle of the building just beyond the stairs.

The restrooms are at the bottom of the stairs - feel free to use and take the opportunity to wash your hands! My studio is towards "Mis-guided Angel Tattoo" and to the right at the end of the hallway in suite 7.
